Screenshots Reviews I must say, I'm very impressed. by huck Such a beautifully crafted game with a slight hint of uniqueness. It has all the elements I love of a fantasy RPG, but each one felt like their own separate experience rather than a "meh this is just another RPG" mentality. The story is also very well written, with a dramatic ending and an ending that brings everything together. Very difficult to control by

What's new:

Make your mark in the fantasy world of the Lands Between.

FEATURES

- **Ace Skill Tree: Ace abilities that respond quickly increase the functionality of your abilities.**
- **A Legendary Duel System: All characters have various Dûjô Mechanisms that, just by drawing the rods, will spark into action as a powerful technique.**

-
- **Hidden Multiplier System:** You can choose how many times you will repeat a skill. With each repeat, the skill is multiplied to make the effects more powerful.
 - **Depth of Dungeon Creation:** Create dungeons with a variety of layouts, including inverted rooms.
 - **A Shiny UI System:** Enchant your weapons and armor to increase their effects, or combine weapons and armor to create even more powerful items.
 - **Every single mob in the game has their own skills!** These skills can be created from the attacks or side skills that mobs have learned from enemies and other mobs.
 - **Supply System:** Fight monsters on a large scale using mob draughts (MOB/MOB).
 - **Etc.**

KEY FEATURES

- **Hero Classes:** Develop your avatar into one of four unique classes—warrior, mage, rogue, or shaman. Each has an archetype that offers various bonuses.
- **Alternate Equipment:** Equip your avatar with a selection of gear from straight-forward simple weapons to powerful casements and gloves.
- **Action Battle:** Every battle can be a struggle to survive as you punch and jump your way through opponents.
- **Boss Battle:** Abuse your dūjō pieces to improve the effectiveness of all party members for a much closer fight.
- **Alternative UI:** Open world exploration is easier to handle with a UI system that doesn't clutter your screen.
- **Easy to Play Yet Grim:** Explore a vista map rather than having quests affect where you fight.
